### **Medical Check-up and Weigh-in**

All contestants competing in the EMF-Antalya Muaythai Open Cup's must have a Medical Check-up and Official Weigh-in on the opening day of the Championships outlined in the technical handbook. Each contestant must then have a Medical Check-up and Weigh-in in the morning of their competition for each bout. Boxers Record Book (Membership Books) must be presented at every Medical Check-up.

As per IFMA Rule 23, all contestants must have in their possession, the IFMA Medical Declaration form (<http://www.ifmamuythai.org/wp-content/uploads/2018/06/IFMA-Medical-Declaration-for-Athletes-V.7.pdf>) signed by an authorised doctor of medicine, stating that prior to leaving his country he was in good physical condition and not suffering from any injury, infection or disability liable to affect his capacity to box in the country being visited. The medical declaration form cannot be older than 6 months and should be in the ENGLISH language. For participants competing in the 16-17 Age Division, the Medical Declaration form must be accompanied by laboratory results for HIV, Hepatitis B and Hepatitis C. In the case that laboratory reports are in a language other than English, it is the responsibility of the National Federation to ensure that the documents are officially translated and certified and those translations submitted together with the documents. All abovementioned forms should be uploaded to the participant's online registration for smooth processing.

Participants that are entering only the Muay Boran, Muay Aerobic or Wai Kru competitions are not required to submit to the medical check and do not need to submit the medical declaration form.

### Other requirements

A contestant must be of the same nationality as the National Federation, which has entered them. Proof of identity, will be established by production of a passport or an official document or its copy from the country for which the competitor has been entered, along with a Boxer Book upon registration/weigh in. If a competitor has more than one nationality, such competitor can only represent one country and thereafter may not represent any other country, until after a period of three (3) years has elapsed. If the two federations concerned desire, they can ask IFMA to reduce or even to suppress this delay in conformity with the IFMA Rules and Regulations.

The IFMA Executive Board reserves the right to allow participants to represent the country of which they are a permanent residence instead of their passport nationality, given that the boxer has never represented the country of origin on their passport.
